The Honorable

**PAT
PAULSEN**

Advance tickets go on sale May 1st
\$10

The Punch Line is proud to present the special return engagement of the multi-talented **PAT PAULSEN**, one of our great American heroes. A WW II veteran, candidate for President, unsung star of the Smothers Brothers Comedy Hour, movie star, successful California wine entrepreneur, and now the national spokesperson for MacDonaldis. What could be more American? Greenville audiences demanded he be brought back!
